## SUMMARY OF INFORMATION

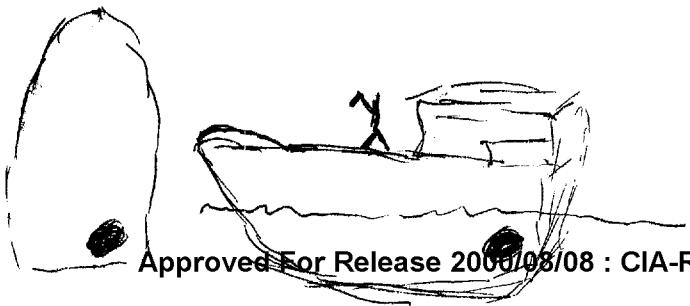

SG1B

[REDACTED] is a wide cargo vessel, dark/black hull, white superstructure (in stern) and high sides. Hull below waterline is red. Vessel has one mast/crane in front of superstructure. Vessel is coming from Spain. Its cargo is containers of dark leather or thin wood (rafts or for crafts) and other "dry goods" (NFI). Vessel is carrying contraband heroin. The contraband is located on board in the stern, below the waterline on the starboard side midway between center + hull.

Vessel is currently (061130L Jul 90) located AT 14 40 N 47 45 W, <sup>heading SW(248)</sup> it will rendezvous with a 35-40 foot wooden, "local" (like a banana boat) ~~the~~ light / "caribe" <sup>colored</sup> blue vessel. This vessel will come from + return to Trinidad.

TRANSFER location is  $10^{\circ}50'N$   $60^{\circ}10'W$  and will take ~~the~~ place on 15 Jul 90 between 1800-2230 hours.
